

# English Learner Portal

FEBRUARY 2023

---

## Collaborative Literacy

Last month we focused on discourse and shared that the only way to learn a language is to use the language. Once we have the students talking and discussing content, we can move that oral language into writing and reading. It's the natural progression and builds confidence as students already know the language they are using! Check out the strategy below to maximize learning and move talk into literacy!

## STRONGER AND CLEARER
